**FIBC**  
Flexible Intermediate Bulk Container

# Flexible Intermediate Bulk Container

## FIBC

Soni Technical Textiles offers an extensive range of Our FIBCs (Big Bags, Jumbo Bags) in various designs & sizes. Our FIBCs are widely used for storage, transportation and handling of powder, flake or loose & granular material.

Our FIBCs are one of the most cost effective & ideal types of packaging solutions for transportation and storage of goods. Woven polypropylene properties (PP) allow easy printing of product information to identify product being transported and stored.
